#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors Concern Foundation and Subsidiary Los Angeles, California

### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Concern Foundation (the "Foundation") and subsidiary (collectively, the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2014, the related consolidated statements of activities, functional expenses and cash flows for the year then ended and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Concern Foundation and subsidiary as of December 31, 2014 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matter**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

(A NONPROFIT ORGANIZATION) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### NOTE 1 – GENERAL

Concern Foundation (the "Foundation") is a California nonprofit organization established to distribute research grants to seek a cure for cancer. Concern Foundation Holding, LLC ("Concern LLC") was formed to receive donations of real property and to hold and dispose of real property for the benefit of the Foundation. Concern LLC is owned 100% by the Foundation.

The Foundation is funded principally through the private sector with annual fundraising campaigns, special fundraising events, proceeds from Concern LLC and ongoing support from corporations, foundations and individuals. The Foundation conducts virtually all of its fundraising activities within Southern California.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### Principles of Consolidation

The consolidated financial statements include the accounts of the Concern Foundation dba Cancer Immunology Research Foundation and its wholly owned subsidiary, Concern Foundation Holding, LLC. All material intercompany amounts and transactions are eliminated in consolidation.

### Financial Statement Presentation

The accompanying financial statements are presented using the accrual basis of accounting. The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

### Cash and Cash Equivalents

Cash equivalents consist of money market funds and similar instruments that are highly liquid, readily convertible to cash, with maturities of ninety days or less at the purchase date.

### Investments

Investments include: (a) corporate and government bonds and equities with readily determinable values and (b) other investments. Corporate and government bonds with readily determinable fair values are initially recorded at cost at acquisition. Afterwards, they are reported at fair value based upon market quotations. Investment income and realized and unrealized gains and losses are recognized as unrestricted net assets unless restricted by explicit donor stipulations or by a law that extends the donor's asset restrictions to the gains and losses. Other investments are related to noncontrolling limited partnership investments that are accounted for on a cost basis. The Foundation has determined that there have been no events or changes in circumstances during the year that would have a significant adverse effect on the value of these other investments that would result in impairment in the amount reported.

(A NONPROFIT ORGANIZATION) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Contributions and Pledges

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Releases of temporarily restricted funds are reclassified to unrestricted net assets upon expiration of the restriction, usually when the funds are spent. Temporarily restricted and unrestricted contributions are recognized when received.

Pledges for future contributions are recorded as receivables and reported at their estimated realizable values. These pledges are to support the fundraising goals of future annual Block Party events for which income is included under special events on the statement of activities. Accordingly, the revenue is deferred and recognized as revenue when the events occur.

#### Allowance for Doubtful Pledges

A provision for uncollected pledges has been provided based on an analysis of promises to pay and uncollectible amounts.

#### Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are applied on the straight-line basis over estimated useful lives of three to five years.

#### Awarding of Grants Policy

Grant awards are recorded as a liability when the grant is made and contingencies are met. Grant proposals consist of applications which are received by the Foundation from research institutions worldwide. The Foundation's grants committee oversees an international scientific review committee, which is comprised of prominent scientists who evaluate these proposals. The scientific review committee meets every year. After each submitted proposal has been reviewed, evaluated and ranked, its recommendations are then passed on to the grants committee and the board of directors for final approval. Generally, grants are for a one-year period and are paid quarterly. Recipients of a one-year award may receive an award for a second year, which is contingent upon the recipient meeting certain criteria and the Foundation's ability to fund such an award.

#### **Unrestricted Net Assets**

Unrestricted net assets include contributions, fundraising, investment income, unrealized gains and losses and other forms of unrestricted revenue and expenditures related to the general operation and fundraising efforts of the Foundation. As part of unrestricted assets, the board of directors has set aside \$500,000 as a contingency to meet grant commitments that may not be covered by current fundraising monies.

### Temporarily Restricted Net Assets

Temporarily restricted net assets are restricted either by time or by purpose and include earnings generated from endowment funds which have been restricted by donors.

### (A NONPROFIT ORGANIZATION) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Permanently Restricted Net Assets

Permanently restricted net assets are assets that have been restricted either by time or by purpose by the donor in perpetuity and cannot be expended by the Foundation.

### **Contributed Services**

A substantial number of unpaid volunteers have made significant contributions of time to the Foundation.

Specialized skill donated services are recorded in the financial statements only when an objective measure of the value is available. Expenses incurred by numerous volunteers of the Foundation carrying out their duties are reimbursed by the Foundation.

### Functional Expenses

The costs of providing various program services, management and general administrative services and fundraising expenses have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services provided.

### Management and General Expenses

For the year ended December 31, 2014, the percentage of administrative expenses to total revenue was 5.2%.

### Fair Value of Financial Instruments

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic No. 820, "Fair Value Measurements" ("ASC 820"), applies to all assets and liabilities that are recognized or disclosed at fair value on a recurring basis. ASC 820 defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. In addition to defining fair value, ASC 820 expands the disclosure requirements around fair value and establishes a fair value hierarchy for valuation inputs. The statement requires that assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3: Unobservable inputs that are not corroborated by market data

(A NONPROFIT ORGANIZATION) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fair Value of Financial Instruments (Continued)

In general and where applicable, the Foundation uses quoted prices in active markets for identical assets to determine fair value. If quoted prices in active markets for identical assets are not available to determine fair value, then quoted prices for similar assets or inputs other than the quoted prices that are observable either directly or indirectly are used.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given instrument is based on the lowest level of input that is significant to the fair value measurement. The Foundation's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the instrument.

The adoption of ASC 820 did not have a material effect on the Foundation's consolidated financial statements. See Note 4 for further discussion relating to ASC 820 and the Foundation's financial assets.

At December 31, 2014, the Organization's financial instruments consisted of cash and cash equivalents, grants payable, accounts payable and accrued expenses, which are all stated at fair value due to the short-term maturity of these instruments. Cash and cash equivalents are financial assets and are primarily classified within Level 1.

### Income Taxes

The Foundation is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code and is generally not subject to federal or state income taxes. However, the Foundation is subject to income taxes on any net income that is derived from a trade or business regularly carried on and not in furtherance of the purposes for which it was granted exemption. No income tax provision has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the basic financial statements taken as a whole.

The Foundation has adopted FASB ASC Topic No. 740, "Accounting for Uncertainty in Income Taxes" ("ASC 740"). ASC 740 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with FASB Statement No. 109, "Accounting for Income Taxes," and prescribes a recognition threshold and measurement of a tax position taken or expected to be taken in a tax return. ASC 740 also provides guidance on de-recognition of tax benefits, classification on the balance sheet, interest and penalties, accounting in interim periods, disclosure and transition.

(A NONPROFIT ORGANIZATION) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Income Taxes (Continued)

The Foundation has determined that the adoption of ASC 740 did not result in the recognition of any liability for unrecognized tax benefits and that there are no unrecognized tax benefits that would, if recognized, affect the effective tax rate. As of December 31, 2014, the open tax years for the Foundation were 2010 to 2014.

#### **Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Concentrations of Credit Risk

Financial instruments which potentially subject the Foundation to concentrations of credit risk consist of cash and cash equivalents. The Company maintains its cash balances in one high-credit, quality financial institution. Cash balances are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to \$250,000. To date, the Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

### Recently Issued Accounting Pronouncement

During May 2014, the FASB issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers (Topic* 606) ("ASU 2014-09"), which requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 is effective for years beginning after December 15, 2018. Management is in the process of evaluating the impact of ASU 2014-09 on the Organization's consolidated financial statements.

#### **NOTE 3 – INVESTMENTS**

At December 31, 2014, investments consisted of the following:

Total	<u>\$ 4,020,252</u>
Limited partnerships at cost	92,483
Mutual funds	377,477
Equity securities	556,838
Corporate and government bonds	\$ 2,993,454

### **NOTE 4 – FAIR VALUE MEASUREMENTS**

At December 31, 2014, the following financial instruments were classified by level within the valuation hierarchy as follows:

	Level 1	 Level 2		 Level 3	Total
Corporate and government					
bonds	\$ 2,993,454	\$	-	\$ -	\$ 2,993,454
Equity securities	556,838		-	-	556,838
Mutual funds	377,477		-	-	377,477

charitable remainder trusts			-	 254,172	254,172
Total	<u>\$ 3,927,769</u>	\$ 	-	\$ 254,172	<u>\$ 4,181,941</u>

Realized and unrealized gains and losses have been reflected in the statement of activities as increases or decreases in unrestricted net assets unless their use has been temporarily restricted by donors.

The estimated fair values of the Foundation's short-term financial instruments, including cash and cash equivalents, prepaid expenses, accounts payables and accrued expenses arising in the ordinary course of business, approximate their individual carrying amounts due to the relatively short period of time between their origination and expected realization.

For the year ended December 31, 2014, the change in the beneficial interest in remainder trusts classified as Level 3 is as follows:

Balance, beginning of year	\$ 259,238
Change in value of charitable remainder trusts	 (5,066)

Balance, end of year <u>\$</u>	<u>254,172</u>
--------------------------------	----------------

The components of total investment return from these investments as of December 31, 2014 consisted of the following:

Investment income	<u>\$</u>	<u>98,416</u>
Partnership income		26,559
Interest and dividend income, net		77,658
Net realized and unrealized gains (losses) on investments	\$	(5,801)

### **NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)**

The following table represents the Organization's Level 3 financial assets, the valuation techniques used to measure the fair value of the financial assets and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value	Principal Valuation Technique	Unobservable Inputs	Range of Significant Input Values
Beneficial interest in charitable remainder trusts	\$ 254,172	Discounted Cash Flow	Annuity Discount Factor	0.5345 – 0.79298
			Life Expectancy	IRS Mortality Actuarial Tables

### **NOTE 5 – PLEDGES RECEIVABLE**

Pledges receivable are discounted at rates ranging from 0.25% to 2.17%. The estimated cash flows related to pledges receivable at December 31, 2014 were as follows:

Less than one year One to five years After five years	\$	167,255 434,752 12,000
Total		614,007
Discounts for the time-value of money Allowance for uncollectible contributions		(11,236) (8,000)
Total	<u>\$</u>	<u>594,771</u>

### **NOTE 6 – BENEFICIAL INTEREST IN CHARITABLE REMAINDER TRUSTS**

The Foundation has received gifts of two irrevocable charitable remainder trusts. Each trust is a temporarily restricted asset due to the temporary restrictions placed on it. Each trust is included in the financial statements as a beneficial interest in charitable remainder trust and is recorded at the present value of the discounted future cash flows.

The present value is computed based on the donor's (or couple's joint) estimated life expectancy as derived from the 2000 unisex census table, the applicable federal rate of 1.2% and the payout to the donor (range of 7.4% to 8% per annum). As of December 31, 2014, the present values of the trusts were \$236,118 and \$18,053.

### NOTE 8 – GRANTS PAYABLE

During the year ended December 31, 2014, the Foundation paid all amounts relating to prior year grants awarded. In respect of the \$1,677,000 (gross before grants refunded) in grants awarded during the year ended December 31, 2014, as of the year end, a balance of \$510,000 remained outstanding. This balance represented seventeen grants payable of \$30,000, which is expected to be paid out in two quarterly installments subsequent to December 31, 2014.

### **NOTE 9 – COMMITMENTS**

The Foundation leased office space under a noncancelable operating lease agreement that expired in August 2014 and required minimum monthly rental payments of \$4,701. The Foundation did not take an option to extend the lease and continued paying the established amount on a month-to-month basis through the end of 2014. The Foundation also leases equipment under operating leases, one which required monthly payments of \$230 and expired in August 2014 and the other requires monthly payments of \$188 and expires September 2018.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2014

### **NOTE 9 – COMMITMENTS (Continued)**

The expected future minimum lease payments of the aforementioned leases are as follows:

Year Ending December 31,		
2015 2016 2017 2018	\$	2,256 2,256 2,256 <u>1,692</u>
Total	<u>\$</u>	8,460

Rent expense for office facilities was \$56,418 for the year ended December 31, 2014. Rent expense for equipment was \$5,533 for the year ended December 31, 2014.

### **NOTE 10 – TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets were available for the following purposes:

Earnings from the Mynda Cohn/Jensen Memorial Fund are used to reimburse the Foundation for general and administrative expenses. Earnings from the Steric Fund are used to reimburse expenses related to the scientific review committee meetings held in Los Angeles, California, including airline tickets, hotel rooms, meeting rooms, local transportation and out-of-pocket expenses incurred by the scientists relating to their work as part of the review committee. Earnings from the Wilbur S. Schwartz Fund are to be used to pay for awards, scholarships, fellowships, symposia and/or lectures.

Changes in endowment net assets for the fiscal year ended December 31, 2014 are as follows:

Total andowmant fund balance	Temporarily Restricted	Permanently Restricted	Total
Total endowment fund balance, beginning of year	<u>\$ 30,148</u>	<u>\$ 1,920,372</u>	<u>\$ 1,950,520</u>

Total endowment fund balance,			

The Foundation has interpreted endowments absent of explicit donor stipulations to the contrary as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. The Foundation classifies as permanently restricted assets the original value of gifts donated to the permanent endowment, the original value of subsequent gifts to the permanent endowment and accumulations to the permanent endowment, if applicable, under the direction of the donor gift instrument at the time that the accumulation is added. As of December 31, 2014, there were no accumulations added to the Foundation's permanently restricted net assets.

### **NOTE 11 – ENDOWMENTS (Continued)**

The Foundation does not have any board-designated endowment funds as of December 31, 2014.

In accordance with Uniform Prudent Management of Institutional Funds Act ("UPMIFA") enacted in California and the provisions of ASC 958-205-45, in the absence of explicit donor stipulations, the portion of a donor-restricted endowment fund that is not permanently restricted by the donor is classified as temporarily restricted net assets until appropriated for expenditure by the Foundation. The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding as agreed upon with the donor specifications.

To satisfy this objective, the Foundation has done the following: (a) set an investment policy investing mainly in fixed income securities and (b) set a spending policy whereby only interest and dividends received are considered eligible for appropriation for expenditures. Accordingly, realized and unrealized gains and losses on endowment assets are considered appropriated by the Foundation and are accounted for within unrestricted net assets.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2014.

### NOTE 12 – RELATED PARTY TRANSACTIONS

The Foundation's board of directors is actively involved in raising funds for the Foundation. During the year ended December 31, 2014, the Foundation received a total of \$233,144 in contributions from board of directors' members including \$120,000 recorded as deferred revenue. In addition, board members have agreed to contribute an additional amount of \$183,728 that is recorded as pledges receivable and deferred revenue. The present value of the pledges available from board members at December 31, 2014 was \$181,208.

### NOTE 13 – SPECIAL EVENTS AND FUNDRAISING

The Foundation conducts several special events in order to assist with its mission. All revenue received from such events in excess of expenses is used for the current program operations. Total income from special events was \$1,626,784 and total costs were \$621,700.

### **NOTE 14 – SUBSEQUENT EVENTS**

In October, 2015, the Foundation entered a lease for new office space. Management has identified no transactions or contracts related to the new lease that will have an effect on the on the financial statements for the year ended December 31, 2014.

Subsequent events have been evaluated through October 26, 2015, which is the date the financial statements were issued or available to be issued. No material subsequent events have occurred that would require recognition in the financial statements or additional disclosure in the notes to the financial statements.
