INDEPENDENT AUDITORS' REPORT

Board of Directors
Concern Foundation
Los Angeles, California

We have audited the accompanying financial statements of Concern Foundation (a nonprofit organization), which comprises the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Concern Foundation as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The 2018 summarized comparative information has been derived from Concern Foundation's financial statements and in our report dated October 11, 2019, we expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018, is consistent in all material respects, with the audited financial statements from which it has been derived.

Report on Summarized Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Grant Expense is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019**

NOTE 1 ORGANIZATION

Concern Foundation (the Foundation) is a nonprofit corporation organized under the laws of the state of California. Concern Foundation is funded principally through the private sector with annual fundraising campaigns, special fundraising events, and ongoing support from corporations, foundations, and individuals. Concern Foundation conducts virtually all of its fundraising activities within Southern California.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. These standards require that the Foundation report information regarding its financial position and activities according to three classes of net assets: net assets without donor restrictions, net assets with donor restrictions, and net assets perpetual in nature.

Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment. As part of assets without donor restrictions, the board of directors has set aside \$1,140,000 as a contingency to meet grant commitments that may not be covered by current fundraising monies.

Net Assets With Donor Restrictions

Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**CONCERN FOUNDATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as Net Assets Released from Restrictions.

Contributed Services

A substantial number of unpaid volunteers have made significant contributions of time to the Foundation. Donated services requiring specialized skills are recorded in the financial statements only when an objective measure of the value is available. Expenses incurred by numerous volunteers of the Foundation carrying out their duties are reimbursed by the Foundation.

Advertising

Advertising costs are charged to operations when incurred and are included in the functional expenses.

Cash and Cash Equivalents

For the purposes of the financial statement, the Foundation considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents.

Contributions

In accordance with accounting principles generally accepted in the United States of America, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Foundation recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. There are no conditional promises to give at December 31, 2019.

Revenue Recognition

Special events revenue is recognized at a point in time, once the event is held.

Allowance for Doubtful Pledges

A reserve for uncollectible pledges in the amount of \$8,000, at December 31, 2019, has been recorded based on an analysis of promises to pay and uncollectible amounts.

**CONCERN FOUNDATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment are recorded at historical cost and are being depreciated using the straight-line method over the estimated useful life of the assets. The following lives have been assigned:

Computers and Equipment	3 to 7 Years
-------------------------	--------------

Expenditures for maintenance, repairs, and renewals of minor items are charged to expense as incurred. Major renewals and improvements are capitalized. Upon disposition, the cost and related accumulated depreciation are removed from the accounts and the resulting gain or loss is reflected in operations for the period.

Summarized Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2018, from which the summarized information was derived.

Tax Status

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and is exempt from California franchise taxes under Section 23701(d) of the State Revenue and Taxation Code.

The Foundation files Internal Revenue Service Form 990 and state Forms 199 and RRF-1. Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. The Foundation recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Management of the Foundation does not believe the financial statements include any uncertain tax positions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing programs and supporting services have been summarized on a functional basis in the statement of activities, and in the statement of functional expenses. Accordingly, salaries, occupancy, information technology and telephone costs have been allocated between programs and supporting services based upon time and effort.

**CONCERN FOUNDATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Management and General Expenses

For the year ended December 31, 2019, the percentage of administrative expenses to total revenue was 4.0%.

Adoption of New Accounting Standard

In 2019, the Foundation early adopted Financial Accounting Standards Board's Accounting Standards Codification Topic 606, Revenues from Contracts with Customers, which requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. There was no material impact on the Foundation's financial position and results of operations upon adoption of the new standard using the modified retrospective approach.

Additionally, the Foundation adopted Financial Accounting Standards Board's Accounting Standard (ASU) 2018-08, Accounting Guidance for Contributions Received and Made. This ASU was issued to clarify accounting guidance for contributions received and contributions made. The amendments to this ASU assists entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as an exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional.

Awarding of Grants Policy

Grant awards are recorded as a liability when the grant is made and contingencies are met. Grant proposals consists of applications which are received by the Foundation from research institutions worldwide. The Foundation's grants committee oversees an international scientific review committee, which is comprised of prominent scientists who evaluate these proposals. The scientific review committee meets every year. After each submitted proposal has been reviewed, evaluated, and ranked, its recommendations are then passed on to the grants committee and the board of directors for final approval. Generally, grants are for a one-year period and are paid quarterly. Recipients of a one-year award may receive an award for a second year, which is contingent upon the recipients meeting certain criteria and the Foundation's ability to fund such an award.

Subsequent Events

Management has evaluated subsequent events through November 2, 2020, the date the financial statements were available to be issued.

Subsequent to year-end, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Foundation, COVID19 may impact various parts of its 2020 operations and financial results, including grants. In 2020, the Foundation projects significant fundraising to continue with nominal impact.

**CONCERN FOUNDATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019**

NOTE 3 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Cash and Cash Equivalents	\$ 1,565,519
Investments	2,948,877
Pledges Receivable	<u>496,579</u>
Total	<u><u>\$ 5,010,975</u></u>

Endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

Although the Foundation does not intend to spend from the board-designated endowment (other than amounts appropriated for general expenditure as part of the board's annual budget approval and appropriation), these amounts could be made available if necessary.

As part of the Foundation's liquidity management plan, cash in excess of daily requirements is invested in short-term investments, and money market funds.

NOTE 4 PLEDGES RECEIVABLE

Pledges receivable are discounted at 2.5% rate for the year ended December 31, 2019. The estimated cash flow related to pledges receivable at December 31, 2019 was as follows:

Receivable Due in Less Than One Year	\$ 513,860
One to Five Years	<u>320,200</u>
Total	834,060
Less Discount to Net Present Value	(9,281)
Less Allowance for Uncollectible Pledges	<u>(8,000)</u>
Total Pledges Receivables, Net	<u><u>\$ 816,779</u></u>

NOTE 5 FIXED ASSETS

Fixed assets as of December 31, 2019 consists of the following:

Computer Equipment	\$ 22,652
Telephone Equipment	<u>5,839</u>
	28,491
Less: Accumulated Depreciation	<u>(24,078)</u>
Total Fixed Assets, Net	<u><u>\$ 4,413</u></u>

**CONCERN FOUNDATION
NOTES TO FINANCIAL STATEMENTS

NOTE 6 INVESTMENTS AND FAIR VALUE MEASUREMENT

Investments as of December 31, 2019 consists of the following:

Corporate and Government Bonds	\$ 3,382,112
Mutual Funds	1,374,737
Exchange-Traded Funds (ETFs)	470,227
Limited Partnerships at Cost	87,072
Total Investments	<u>\$ 5,314,148</u>

Generally accepted accounting principles establishes a framework for measuring fair value, and expands disclosure about fair value measurements. The standard provides a consistent definition of fair value which focuses on an exit price between market participants in an orderly transaction, prioritizes the use of market based information over entity specific information and establishes a three level hierarchy for fair value measurements based on the transparency of information used in the valuation of an asset or liability as of the measurement date.

Fair values determined by Level 1 inputs utilize quoted prices in active markets for identical assets. Fair values determined by Level 2 inputs utilize data points that are observable such as quoted prices, interest rates and yield curves. Fair values determined by Level 3 inputs are unobservable data points for the asset and include situations where there is little, if any, market activity for the asset.

NOTE 6 INVESTMENTS AND FAIR VALUE MEASUREMENT (CONTINUED)

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions. There were no transfers among the investment designated levels during the year.

The changes in assets classified as Level 3 are as follows for the year ended December 31, 2019:

Balance, beginning of year	\$ 232,899
Change in value of charitable remainder trust	20,021
Total	<u>\$ 252,920</u>

NOTE 7 BENEFICIAL INTEREST IN CHARITABLE REMAINDER TRUSTS

The Foundation received gifts of two irrevocable charitable remainder trusts. Each trust is included in the financial statements as a beneficial interest in charitable remainder trusts and is recorded at the present value of the discounted future cash flows.

The present value is computed based on the donor's (or couple's joint) estimated life expectancy as derived from the 2000 unisex census table, the applicable federal rate of 3.6% and the payout to the donor (range of 7.5% to 8.0% per annum). As of December 31, 2019, the present values of the trusts were \$239,392 and \$13,528.

NOTE 8 GRANTS PAYABLE

During the year ended December 31, 2019, the Foundation paid all amounts relating to the grants payable as of December 31, 2018. In respect of the \$1,249,554 in grants awarded during the year ended December 31, 2019, as of the year-end, a balance of \$550,000 remained outstanding. The outstanding balance is expected to be paid during the year ending December 31, 2020.

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes:

Time Restricted Through Charitable Remainder Trusts	\$ 252,920
Contribution Subject to Donor Restrictions	130,044
Research	53,875
Scientific Review Committee	8,060
Total	<u>\$ 444,899</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrences of other events specified by donors.

Amounts Appropriated for Expenditure	<u>(72,000)</u>	<u>-</u>	<u>(72,000)</u>
Total Endowment Fund Balance, End of Year	<u>\$ -</u>	<u>\$ 1,920,372</u>	<u>\$ 1,920,372</u>

The Foundation has interpreted endowments absent of explicit donor stipulations to the contrary as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. The Foundation classifies as permanently restricted assets the original value of gifts donated to the permanent endowment, the original value of subsequent gifts to the permanent endowment, and accumulations to the permanent endowment, if applicable, under the direction of the donor gift instrument at the time that the accumulation is added. As of December 31, 2019, there is no accumulations added to the Foundation's permanently restricted net assets.

In accordance with Uniform Prudent Management of Institutional Funds Act (UPMIFA) enacted in California and the provisions of ASC 958-205-45, in the absence of explicit donor stipulations, the portion of a donor-restricted endowment fund that is not permanently restricted by the donor is classified as temporarily restricted net assets until appropriated for expenditure by the Foundation. The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding as agreed upon with the donor specifications.

NOTE 10 NET ASSETS PERPETUAL IN NATURE (CONTINUED)

To satisfy this objective, the Foundation has done the following: (a) set an investment policy investing mainly in fixed income securities and (b) set a spending policy whereby only interest and dividends received are considered eligible for appropriation for expenditures. Accordingly, realized and unrealized gains and losses on endowment assets are considered appropriated by the Foundation and are accounted for within net assets without donor restrictions.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration.

NOTE 11 SPECIAL EVENTS AND FUNDRAISING

The Foundation conducts several special events in order to assist with its mission. All revenue received from such events in excess of expenses is used for the current program operations, unless otherwise restricted by the donor. Total income from special events was \$2,138,871 and direct donor benefit costs were \$476,179 for the year ended December 31, 2019. The direct expenses relating to special events revenue would be considered material fundraising expenses.

NOTE 12 COMMITMENTS AND CONTINGENCIES

The Foundation rents their office space under a lease agreement expiring in December 2019. Rent expense paid under the agreement for the year ended December 31, 2019 was \$54,600. The lease was renewed and expires December 2020.

NOTE 13 CASH IN BANK – CONCENTRATION OF CREDIT RISK

The Foundation maintains its cash and cash equivalents at a bank which may, at times, exceed federally insured limits. The Foundation has not experienced any losses in such accounts and believes that the solvency of the relevant financial institution is not of particular concern.
